

MORE COVID-19 VACCINES AVAILABLE FOR AGES 16 YRS AND OLDER

What do you need to do to pre-register for an upcoming vaccination clinic?

1. Call 207-764-1792 and let staff know you would like to sign up for a COVID-19 vaccine.
2. Please give them all of the names, ages and phone numbers of those interested.
3. Please share if weekdays or evenings work best for you.
4. Be on the watch for a call from the clinic with the upcoming appointment date, time and location.

What to expect during your appointment?

1. You will receive a registration form to complete, educational materials about the vaccine, a card with the vaccine information and the date you are due for the 2nd shot.
2. You must remain on site for 15 minutes as a precautionary measure to watch for any adverse reactions.
3. You can enjoy a light refreshment while you wait.
4. You will receive an appointment card with the date of your next appointment.

Why are the appointments for the vaccines limited?

1. The vaccine is in limited supply, it also has storage and administration requirements such as:
 - a. Only 6 hours to use the entire vial of vaccines, or
 - b. Only 5 days to give out all shots in the vial once removed from the ultra-cold freezer, and
2. Max packing our schedule limits the “waste” of unused vaccines.

What if I can't keep my appointment?

1. Please call us just a **soon as you can**, we will work to fill your slot with someone else and reschedule yours at that time.

Must be a patient of the clinic or an enrolled member of the ABM

Must be at least 16 YEARS OLD

2 SHOT SERIES—
Willing to get both shots (Moderna in 28 days or Pfizer in 21 days)
